

Week 2 / September 29 recap:

Cameron Konkle and Greg Sebring led a string of strong performances, which included the Ballard brothers (Will, James and Ben), Austin Brennan, Nick Johnson and Jasper Kilian. All players scoring in double digit points.

Konkle & Sebring struck with birdies on #2 & #5. Kilian & B. Ballard had the most balanced attack with a birdie on #1 and points on all 9 holes played. W. Ballard & J. Ballard had 5 pars and birdie. '19 PGA League All-Star N. Johnson and A. Brennan combined for 13 points.

All 14 teams scored at least 3 points and played 5-6 holes in less than 2hrs, which is very good for only their second official match.

Greystone Black & Red Teams will look to build on their momentum both individually and as a team in week 3.

Matches will begin at 4:30pm starting in October.
